

Estates & Campus Services Department

Buildings Maintenance Manager

Employment type: Permanent

Employment basis: Full time

Salary: £37,768 - £46,414 per annum

Position number: 10017869

Closing date: 18 March 2016

Interview dates: Wed 30 March & Thu 31 March 2016

An exciting opportunity has arisen for someone to work full time in the busy Estates & Campus Services Department as a Buildings Maintenance Manager.

The role involves providing an efficient range of building operational services covering statutory maintenance, reactive and planned maintenance and minor works projects.

You are required to have supervisory knowledge of all relevant Building Management standards appropriate to a major/multi building site, have management experience of contractual services, have excellent organisational and time-management skills, and the ability to challenge, negotiate and persuade.

A thorough working knowledge of Microsoft Office products and a full UK Driving Licence is essential.

This is an exciting period for Estates & Campus Services as the University will shortly outline the 'Strategic Master-plan' which is currently being finalised. It is anticipated that there will be an increased investment in the Estate portfolio currently at 95 buildings.

To find out more about the University of Portsmouth and this role, visit www.port.ac.uk/vacancies and apply on-line. It is the policy of the University to only accept applications submitted using the University's application form.

All applications for this position will be processed and conducted in compliance with UK legislation relevant at that time.
